Whistle-blowing policy

Part 1: Policy details

1. What does this policy cover, and who is covered?

All employees, contractors, consultants, officers, interns, casual and agency workers are covered by this policy.

It sets out what they should do if they have reason to believe that something dangerous, unlawful or unethical is going on at work and it is affecting (or risks affecting) them or other colleagues.

When you report these kinds of concerns, this is called whistleblowing.

Castle Point Social Car Scheme are committed to operating at all times, and in everything that we do, to the highest standards of integrity.

However, all organisations can occasionally be affected by conduct that is dangerous, against the law or breaches ethical or professional codes.

Please follow the procedure outlined at Part II of this policy to immediately report any concerns that you have about this kind of conduct, so that we can take the necessary action to address these concerns as fast as possible.

This policy also covers the actions of third parties such as suppliers, service providers, and clients, as well as our staff. If you are concerned about a third party, please also raise them with us before approaching anyone else. Alan Beale (the Chairman) will be able to explain how you should proceed.

Castle Point Social Car Scheme will always take your concerns seriously and they will be thoroughly investigated by appropriate personnel. Most importantly, you should feel confident to follow the Part II procedure with confidence. There will be no reprisals for individuals who bring these concerns to our attention – we value and respect all such reports and those who make them to us. We all play an important role in ensuring that our business, and everyone working in and with it, acts professionally, lawfully and appropriately.

2. What sorts of activities are typically considered relevant to whistle-blowing? This is not an exhaustive list, but the types of concerns you may want to raise with us by whistleblowing could include:

- Any activity you suspect is criminal
- Any activity you suspect puts health and safety at risk
- Any activity you suspect may damage the environment
- Any activity you suspect breaches our policy on bribery and corruption
- Any failure to comply with legal or regulatory obligations
- Any failure to meet professional requirements
- Any attempt to conceal one or more of these activities

Please speak to Alan Beale (the Chairman) if you are unsure whether something that you are concerned about is covered by this policy.

Bullying or harassment

If your complaint is about the behaviour of others towards you, our bullying and harassment policy or grievance policy contain the relevant guidance on how to proceed. These types of behaviour are not covered by this whistleblowing policy.

4. Confidentiality and anonymity

You are always encouraged to raise concerns openly, and we actively discourage anonymous whistleblowing. This is because it is not always easy to manage and to investigate anonymous reports, especially since if we are unable to ask you for clarification for further details, we may struggle to clarify and find evidence to support your allegations and/or reach an informed conclusion. In these circumstances, we risk missing evidence or opportunities to gather important supporting information, or identify helpful witnesses, because we may simply be unaware of their existence, in spite of our best efforts to uncover them.

However, if you prefer to keep your identity anonymous, we will do all that we can to ensure that you retain your anonymity, and the confidentiality of your concerns, as far as possible. If we need to disclose your identity to others as part of the investigation, we will always discuss with you beforehand both our desire and our reasons for wishing to identify you.

We will protect you from reprisals, and you can read more about how we do this and what rights you have in section 5 below.

5. We protect whistle-blowers

There are no reprisals for mistakes or if following our investigations, (which we will always conduct thoroughly and conscientiously), we conclude that there has been no breach of law, policy or unethical conduct. However, to qualify for protection, the disclosure must, in the reasonable belief of the worker making the disclosure, show that one or more of the following events has happened, is happening or is likely to happen and that it is in the public interest to make the disclosure:

A criminal offence

- Failure to comply with any legal obligation
- Miscarriage of justice
- Danger to health & safety of any individual
- Danger to the environment, or,
- Deliberate concealment of any of any of the above.

If at any time, you do not feel that you have been fairly or properly treated by us in the handling of your whistleblowing concern, you must inform us immediately. You should inform [specify designated contact] in the first instance; and if you are not satisfied with the outcome of that conversation, you should follow the process set out in our grievance policy.

We also protect whistle-blowers from others, so where a whistle-blower reports to us that they have been treated inappropriately by others, (including having received threats as a result of raising their concerns), we will take disciplinary action against those individuals. The consequences of us taking this action could include dismissal of such individual(s) for gross misconduct. Whistle-blowers may also be entitled to take legal action against those individuals.

If you would like more information about your rights as a whistle-blower and how you are entitled to be protected, you can contact Public Concern at Work, which is an independent charity offering a confidential helpline on 020 7404 6609; www.pcaw.org.uk.

6. Whistle-blowing to others outside of Castle Point Social Car Scheme

Our policy covers the process for raising, investigating, and resolving wrongdoing within Castle Point Social Car Scheme's workplace.

A Company Limited by Guarantee no. 03745415 Community Transport Association Member no.39633 Registered Charity no. 1076007 Board of Trustees: Mr A Beale (Chairman), Miss P Tait, Mr M Joiner, Mrs J Sullivan, Mrs J Donovan, Mr D Patterson Miss C McCarthy

The whistleblowing procedure that we have carefully put in place has been designed to ensure that to the best of our ability, we are able to resolve any concerns raised and to protect you as part of this process.

For these reasons, we anticipate that it would be extremely rare, if ever necessary, for you needing to involve anyone outside of Castle Point Social Car Scheme as part of this process.

However, we recognise that potentially, in exceptional circumstances, you might wish to involve an external body – an industry regulator, for example – and/or the independent charity Public Concern at Work, who can direct you towards the appropriate regulator for the type of issue you want to raise.

Involving the press/media

Involving the media in a whistleblowing matter often has the effect of inflaming the situation, not assisting it. It can significantly hamper evidence gathering and the willingness of other relevant individuals to support the process.

We therefore strongly discourage you from involving the media. We will treat any contact with the press as a serious disciplinary issue justifying dismissal unless exceptional circumstances exist. For example, we would generally expect you to have taken all reasonable steps to deal with the matter internally, or with an external regulator, and to have taken full advice from a lawyer or from Public Concern At Work, before you could justify involving the press.

Part II: Our procedure for raising a whistleblowing concern

Please follow this procedure:

- Raise your concerns with Alan Beale (Chairman) in the first instance. You may do so in writing or in person.
- If you would prefer not to discuss your concerns with Alan Beale (Chairman), or you consider that your concerns are extremely serious, you should write to Dave Patterson (Trustee).
- Please explain that you are raising your concerns as part of the Castle Point Social Car Scheme whistleblowing policy and procedure. Then set out all the key facts, including names of those involved and all relevant dates.
- You will be invited to a meeting at which you can discuss your concerns. You are entitled to bring someone with you to this meeting and any subsequent meetings.

A Company Limited by Guarantee no. 03745415 Community Transport Association Member no.39633 Registered Charity no. 1076007 Board of Trustees: Mr A Beale (Chairman), Miss P Tait, Mr M Joiner, Mrs J Sullivan, Mrs J Donovan, Mr D Patterson Miss C McCarthy

That companion may be a colleague (or a trade union representative, if relevant). Anyone who accompanies you will be asked to agree to keep strictly confidential the contents of the meeting including any materials disclosed and/or examined during it. This obligation of confidentiality will extend before, during and after the meeting and any following investigation that we conduct in relation to the concerns raised by you.

- Following this meeting, we will investigate the matters raised and we may request that you come to additional meetings to assist us in our efforts. We may also decide to involve relevant external (or internal) specialists to help us conduct a thorough, fair and responsible investigation.
- Our relevant personnel involved in this investigation will keep you informed about the progress of the investigation as far as they are able. For a number of reasons, generally relating to legal obligations, including obligations of confidence to others, or in relation to any legal advice that we may decide to take on our own behalf, we may not be able to share every detail of our discoveries or deliberations with you. We will always endeavour, however, to reassure you, as best as

Castle Point Social Car Scheme assure you that we will always take your concerns seriously and that we will conduct a responsible investigation.

It is possible that the outcome of our investigations will not be one that you find satisfactory. If this happens, you are entitled to complain to Alan Beale (Chairman) and request a review of what has been done and concluded.

If you have raised a concern in good faith, our process and all those involved in giving effect to it will support and protect you. However, if a false concern is raised with us in bad faith (e.g. for malicious reasons), we will invoke our disciplinary policy and you may be subject to disciplinary action.
